After School Activity Program

Another lot of School Holidays “done and dusted” ... and it’s back into routine for all of us, and hopefully some better summer weather. As the debate around moving the summer holidays to February/March is raised again Nationally we enter this year with enthusiasm and refreshed minds and bodies and welcome our returning Kids together with several new families.

There has been a substantial change in the dynamic of our roll this year with our biggest ever group of pre-teens (year 7 and 8) students. We have a number of new initiatives in the pipeline to cater to the full range of ages attending ASAP and look forward to rolling these out over the year.

Thankyou to all those parents who promptly completed and returned the confirmation of enrolment forms. This is a new tool we have put in place allowing us to ensure that our roll is correct at the beginning of term and enables us to have transport and staffing levels set in plenty of time. As always, if you are anticipating any changes to your child's school or hours of attendance you do need to advise us as soon as practically possible so we can confirm availability of space. As always if you have any concerns or need clarification on any issue please don't hesitate to get in touch with us either at the Centre (3235555) or at the office (3236470)
